BOOK TALK: EXPLORING CONFLICT AND PEACE THROUGH THE EYES OF PALESTINIAN, JEWISH, AND ARAB/PALESTINIAN ISRAELI YOUTH

Friday, Nov 3
16:00-17:30, CVA702

The current conflict between Israel and Hamas is capturing international attention, sparking diverse and polarized discussions globally. Dr. Warshel has dedicated three years to conducting fieldwork in Israel, the West Bank, and Gaza, spanning a decade in total. Her in-depth research has led to constructive communication-in-context strategies aimed at resolving the conflict.

Dr. Warshel's approach utilizes what she refers to as "methodological empathy." This approach considers the varying definitions of peace among different ethnopolitical groups, taking into account the social, political, economic, and military contexts to achieve justice, security, and equality.

We cordially invite you to join us for a book talk with Dr. Warshel to discuss these critical and ongoing international affairs.
